

## Passió 2019

---

**Motivation:** Passió is the wine that was born as a result of the feeling of love for the vineyard and the lands that I work and that dominate my will and my reason, it is the link between all the wines I make, the motor value among all them and it is also a hug of complicity between the two territories that I interpret with absolute passion, my origins and my present.

**Limited edition:** 2,702

**Grape:** 80% marselan, 20% black carignan
